MARKET ANNOUNCEMENT

Class Action Suit – Murrindindi Bush Fire

Maurice Blackburn Lawyers has today launched a class action in the Supreme Court of Victoria against SP AusNet and a number of other parties in relation to the Murrindindi fire, including a wholly owned subsidiary of UXC Limited, ACN 060 674 580 Pty. Ltd (formerly Utility Services Corporation Limited)

ACN 060 674 580 notes that the Victorian Coroner is yet to release to the public a copy of the police report in relation to the Murrindindi fire, or to make a finding.

A business unit of ACN 060 674 580 had for many years provided asset inspection services for SP AusNet, and believes that it has at all times complied with its duties and obligations. This business unit has previously extended its full support and assistance to the Bushfires Royal Commission. The business and assets of this business unit were sold to a third party in September 2011 as part of UXC's divestment of its Field Solutions Group.

ACN 060 674 580 will vigorously defend any claim made against it in relation to its inspection of SP Ausnet's assets.

ACN 060 674 580 has liability insurance in place which provides cover for bushfire liability, and its insurance coverage is consistent with industry standards and practice.

While court proceedings are in progress, it is not appropriate for further comment to be made in connection with the litigation process.
